

Mp3 The Norwood Twins - Feels Like December

[DOWNLOAD HERE](#)

Country with a rock edge 9 MP3 Songs in this album (30:36) ! Related styles: COUNTRY: Progressive Country, POP: Pop People who are interested in Norah Jones Anna Nalick The Wreckers should consider this download. Details: The Norwood Twins are Erica and Alicia Norwood. Their debut CD "Feels Like December" is a mix of songs ranging from lively, happy melodies to sad ballads of lost love. The twins' voices blend harmoniously throughout the album, especially on their songs "High Life" and "Yours". Not only do The Norwood Twins sing, these multi-talented twins appear regularly in TV commercials, have performed the lead in theater productions and musicals, published a poem book titled The Best Poem Book Ever Written Since The Dawn of Time, and in 2005 made an appearance on The Tonight Show with Jay Leno.
