

Mp3 The Vigilantes - Whats The Reason?

[DOWNLOAD HERE](#)

Traditional country music, not that Keith Urban or Kenny Chesney stuff. 6 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Old-Timey Details: Whats The Reason is the title of The Vigilantes latest album release in 2008 on the One Rose Record label. Their music, with its heart warming, story telling lyrics combined with the beautiful classic melodies, will touch, and perhaps haunt, your heart! The CD features Sorrow On My Mind, D.A.R.L.I.N.G A.N.G.E.L, One Broken Heart, Whats The Reason? and Many Things Remind Me Of You, five original songs written or co-written by Vern Padgett. These songs showcase lyrical integrity with a passion of love, whether it is a lost love or love everlasting. It also includes a song titled Then You Can Tell Me Goodbye, written by John D. Loudermilk who penned songs which have been recorded by the likes of Eddy Arnold, Stonewall Jackson, and Ernie Ashworth and many more. Loudermilk is also a first cousin to the Louvin Brothers, who themselves were major country artists. Sherry Bond, daughter of country singer Johnny Bond, once called The Vigilantes music a throw back to the 1950's country music. Translation...that means its Traditional Country Music! If youre looking for Country Music which paints a visual picture with its lyrics, leaves your heart aching or your eyes filled with tears, then you must add The Vigilantes Whats The Reason? to your music library! For more information on The Vigilantes or to request a radio station copy, visit their official web site at thevigilantesor check out their country music newsletter at vigilantecountry. Remember, keep it Country and support the Vigilantes! People who are interested in Johnny Cash Porter Wagoner should consider this download.
