[DOWNLOAD HERE](#)

this is a midwest compalation album,features three groups, which showcase a variety styles of music from, fatjoe,jayz,eightball,,bone, and twista, also features twista. album has 19 banging joints from one of twista favorite producer k-xilla, 19 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Southern Style

Details: Executive producer dereiq mcalister presents the new compilation,hustle right by the Trecherous Clique. This compilation features, Platinum, selling artist TWISTA, also features Jarista, Lady Supreme, Raw G, T-Bone, Bezote. The Clique from the south side of chicago.Production from one of twista favorite producers kxillah the clique features BIGCITY - album displays the chameleon like style Big City has. Big City has a unique sound that sets him apart from other Chicago rappers. Big city is often compared to eightball and fat joe not just because he is 6-5 300. Even though he is that big , dont be fooled he has mad win ,can hop with the best of them. scarface heard this n&gga battling in a club ,and wanted too get at him then,but he was already with trecherous loyalties brings royalties . Big city has opened for twista ,and master p, aswell as other venues in the u.s when he performs live, people always go crazy for the n&gga, he brings serious heat to the rap game check him out on thug mutha f&cka Big City has the material and the talent to soar to new heights in the music industry. WICKED INTENTIONS They come at you with a Do or Die and Bone Thug and Harmonies type vibe, If you enjoy listening to twista,bone,or do-or-die rap you will enjoy listening to wicked intentions they can rap fast with the best of them but very clear .The group consist of three homies rowdy rob who brings serious heat, he specialize in rapping backwards it a freaky style that only rowdy is bringing to the game right now,check out the song make my day its the last verse.Berry is the next rapper on deck he is a laidback type rapper, smooth melodie check him out on the song somethin like a player he spit some serious sh&t for the ladies to get wet too. berry also has heat as with any of the wicked i members. stokes is the final member of the group he brings a

serious straight from the streets style if he said it he did it. stokes who lives and hustle in the streets , tells a true storie about life, he raps about what he is doing legal or illegal, he is a perfect fit for the group young wild and bringing the noise check him out on city of capone he tell it like it is redrum you know . this group has a variety of sound ,and delivery ,but the main attraction is the way thay blend all three styles together ,like i said if you like TWISTA then you will like wicked i . TWISTA like the guys so much that he did a song with them, we also did several shows with the king of chicago rap. FAMILY "FAMILY" is compiled of two artists. One being Murph and the other being Maverick. Both are often compared to Jay Z and Nas for their delivery and sound. They chose the name family, not just because they're cousins, but because Family represents loyalty and unity. Both of which are needed to survive in the Music Industry and in life. Family as a group brings the reality of the streets of Chicago to life, from kickin it in the club to hustlin' on the block. Family paints a picture with captivating lyrics, punch lines and metaphors. Family is one of Chicago's hip hop Saviors! you will definitely enjoy listening to this group. This is a compilation album which showcase a variety of styles of music guaranteed to satisfy your rap needs,blending a little eightball,fat joe with bigcity, to twista n bone with wicked i ,to jayz n nas with family ,so jump in yo ride, and kick the twelves to this sh&t, or have the d.j. bang it. there is club hits on this c.d aswell we hit em from all directions street hits, gangsta,to pimp sh&T AND RADIO. . .update thanks for supporting the albulm,sells have been great,Trecherous records is currently negotiating a major distribution deal with universal records so keep supporting ,and be on the look out for upcoming projects on the universal banner .
