

Somalia Between Jihad And Restoration - Shaul Shay

[DOWNLOAD HERE](#)

Since 1991, Somalia has been defined as a failing state, one that lacks an effective central government. The vacuum of power in Somalia, in turn, enabled al-Qaeda and other radical Islamic organizations to find allies and refuge in there. Shay's account shows how the presence of radical Islamic entities in the area, alongside local problems and conflicts, has turned Somalia into a focal point in the global war against terror.
