THE CLASSIC ADVENTURES OF A VICTORIAN LADY SLEUTH Return to the era of the gaslight and the Hansom Cab. Encounter murder Victorian-style in this classic first published in 1893. Loveday Brooke was one of the most popular of the fictional female detectives to rise to popularity on the wave of demand for mystery stories that swept the U.S. and U.K. in the wake of Sherlock Holmes' unprecedented success. Loveday was also one of the most unique and modern of all fictional female detectives of her day. Unlike the others, who were all as beautiful as they were smart, Loveday is a serious business woman and a heroine any woman could identify with: "She was not tall, she was not short, she was not dark, she was not fair; she was neither handsome nor ugly. Her features were altogether nondescript" But, what Loveday lacks in beauty, she more than makes up for in brains. A true detective in the mold of Sherlock s Chris Willis writes, "In her detective work, she uses 'male' qualities of logic and observation rather than the infamous 'feminine intuition' which was to become the stock-in-trade of many female investigators." Travel back with Loveday to the day of the shirtwaist, the top hat, and the horseless carriage, and follow

her exploits as she solves the case of "The Black Bag Left on a Door-Step," the riddle of "The Murder at Troyte's Hill," the crime of "The Redhill Sisterhood," the problem of "A Princess's Vengeance," the puzzle of "The Ghost of Fountain Lane," and other baffling mystery tales.
