

Wealth: Grow It And Protect It, Updated And Revised - Stuart E. Lucas

[DOWNLOAD HERE](#)

Discover the best ways to build, protect, and sustain family and business wealth across generations! Wealth is the worlds most valuable guide to wealth management for individuals, families, business owners, and the "upwardly affluent." In the six years since Stuart Lucas first wrote this book, however, the financial world has changed dramatically. Throughout the financial crisis and beyond, Lucas has led the University of Chicagos Private Wealth Management program, teaching more than 500 members of the worlds wealthiest families. Now, he brings together extraordinary insights and constructs informed by this experience. Wealth, Updated and Revised Edition retains its core advice, which has been tested and proven by the worst financial crisis since the Great Depression. However, Lucas has updated his exclusive Strategic Wealth Management Framework to help even more individuals, families, and entrepreneurs aspiring to wealth or seeking to protect it. Lucas highlights key value drivers - family purpose, the economic engine, and leakage management - that mark the difference between family enterprises that succeed for generations and those that fail. He offers updated, sage advice on making financial decisions, evaluating "expert" advice, running a family business office, tax/estate planning, philanthropy, wealth preservation, and more. Since developing a familys human capital is the best antidote to Wall Street excess, this edition adds even more robust and actionable guidance for building a culture of Entrepreneurial Stewardship: one that enables and encourages all family members to flourish, and improves the odds that families can sustain wealth. This book is for all successful business owners and anyone who possesses (or aspires to own) substantial financial assets, whether earned or inherited. It will also be of keen interest to investment advisors, business consultants, business brokers, wealth industry practitioners, lawyers, accountants, tax advisors, and others who counsel the wealthy (and upwardly affluent) about wealth management. Author: Lucas, Stuart E. Publisher: FT Press Illustration: N Language: ENG Title: Wealth: Grow It and Protect It, Updated and Revised Pages: 00398 (Encrypted EPUB) On Sale: 2012-12-10 SKU-13/ISBN: 9780133132816 Category: Business & Economics : Personal Finance - General
