

Beach Distant Ocean Sea Waves Birds (sfx Sound Effect Wav)

[DOWNLOAD HERE](#)

Recorded on the sandy plains at 'Pismo Beach' in California, this recording beautifully captures the sound of the distant Pacific Ocean. Also audible are small birds in the foreground. For an alternative to this file, have a listen to our file 'Clifftop Atmos Wind Beach Waves' which has much more of a roar to it! All files on sale by Sevenleaf SFX have been recorded by professionals and as such are royalty free. They are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
