A pure, straight foward, in your face, old school punk sound. Very to the point, yet not without an entertaining variety of thought. 20 MP3 Songs ROCK: Punk, METAL: Alternative Metal Details: A skinny young man who had a guitar, and no luck with women, a rather roundish guy who knew a little about a beat, and another skinny guy who owned a bass. 101 A sound you must hear to believe. A low musical IQ, a dash of anger, jumbo coconut balls, and a twisted sense of humor create a breed of music that will hook you. Guaranteed!!!
