Independent Italian Neo Soul, the right mix between R&b , Hip Hop and Classic Soul. 6 MP3 Songs  
URBAN/R&B: Contemporary urban, URBAN/R&B: Funk Details: It was March 2006 when 6 Pezzi + 1  
Remix, Alessio Beltramis independent debut Ep, it was released in Italy. After positive feedbacks from  
musical press and radio stations Alessio decided to collaborate with 6 different producers and musicians  
for the special 6+1 Remix Edition. The artists involved in this project came from different musical  
backgrounds, everyone had the chance to rebuild the record giving a new mood to each track: Bassi  
Maestro, Hip Hop producer and artist, remixed the first track Entro; the eclectic STIV put his hands on Sei  
Difficile and the "Music In Head" team feed with soul backbeat and piano the 3rd track Tu, Lui, Io, GliAltri;  
An electronic/dub version of Dammi Sogni was made by Stokka and Gaba while the Brigante Connection  
(Paolo Frattini, Marco Mengoni e Fabio Caso) take care of the funk theme of Butta. Last track was  
reinvented from BrokenBeats duo Crookers that literally set on fire Prestami that originally was a ballad.
