

Mp3 Ameet Sharma - Lost In A New Age

[DOWNLOAD HERE](#)

Solo piano... new age and semi-classical... 14 MP3 Songs CLASSICAL: New Age, NEW AGE: Ambient
Details: This is my second CD. For the most part, this is a collection of solo piano pieces... There are strings and percussion on a few tracks. The tracks Waterfall and Winter use a non-piano keyboard sound. The focus is on melody. Some of the compositions are almost minimalistic, but not quite. The compositions are reminiscent of piano pieces on anime soundtracks, such as those done by Yuki Kajiura and Taku Iwasaki.
