Barnes and Barnes meet the Three Stooges at the sushi bar and talk about old times and living an honorable life. 24 MP3 Songs POP: Quirky, POP: New Wave Details: Barnes and Barnes make a left turn on this album, trying to sound topical and commercial. Check out those drum machines, baby! Sometimes a bit "Devo meets The Doors meets the Three Stooges". Sometimes it works, sometimes it doesn't. You decide. This album was recorded in 1981 thru 1983 and lay mostly lost in the vaults and unreleased until 2005! Finally resurrected for your listening pleasure. Master tapes had gone missing for decades and were finally found and cleaned up the best they could be. And the whole thing sounds pretty damn good and holds up just swell, baby! Check it out. Includes the hit song (was also a great video) "SOAK IT UP"!! Does it get any better than this?! Nope-
