Pop music as its finest. Checkout your next favorite songs. Amazing musicians, fantastic pop music. Yes, you will love it. 16 MP3 Songs POP: Pop, ELECTRONIC: Pop Crossover Details: For some years Chris Musiker is successful in Europe. His musical repertoire includes the modern interpretation of classical music as well as compositions of pop music. In 2005 Chris Musiker was one of the first self-made music composers/producers whose songs were promoted in a German MusicTV show on TV worldwide (Sarah Kuttner Show at VIVA television, a part of MTV Network) without a record company in the background. Some of the songs were produced in the famous Wallstreet Studios as well in the "O.S. Studio" which guarantee a perfect sound. "Do you ever stay in Europe? - Maybe then you have had contact with our music." Some of these songs are now available in the US. "We hope that you will have as much pleasure listening to it, as we had making it" said Chris. People who are interested in Madonna Michael Jackson Kylie Minogue should consider this download.
