It's not a combination you hear often, but clarinet and classical guitar is a marriage made in heaven. These harmonically and melodically magnificent pieces are from the greatest eras of songwriting. 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Mood Music Details: Dale Polissar is a magnificent clarinetist. His tone is fluid and warm; his lines are melifluous and sinuous; his ideas are always fresh and alive. On this CD he plays twelve tunes, mostly but not exclusively standards; melodies chosen because -- well, because they're great melodies and they provide wonderful vehicles for Dale's musicality. Bart is Dale's accompanist here on classical guitar, providing perfectly supportive and inventive arrangements plus the occasional tasty solo.
