Progressive metal with tons of surprises. 12 MP3 Songs METAL: Heavy Metal, METAL: Progressive Metal Details: Highest Place is a 5 pieces Progressive Metal band from the small town of Granby in Qubec. Highest Place incorporate other musical styles as a part of its image. They have a heavy sound combined with surprises and exoticism that keeps our music fresh. Lyrics are positive and intelligent about a broad bunch of subjects. REVIEWS: Lords Of Metal (Netherlands): "[...] In twelve lengthy tracks we get more than seventy minutes of riffs and tempo changes that are flying all around. These are no primary school tricks, these are University skills that will warm-up the brains of musical rationalists. Technothrashers who dig stuff from Watchtower, Atheist and Spiral Architect will definitely get a stiffy from this chords-chaos [...]" The Darkest Hours: "[...] A good debut album and it's easy to see that this band is strong and they got some original stuff [...]" Prog-Rsiste (Belgium): "[...] d'une maniere gnrale, Highest Place me fait musicalement penser la vague death avant-gardiste d'poque, et des groupes comme Atheist ou encore Messhuggah. Album puissant, assez brut et direct dans la forme, et rvlant des musiciens dous, volontaires qui se sont bien clats en enregistrant ce disque [...]" --- IMPORTANT --- Watch for the new CD comming this fall 2005! A new masterpiece in the world of progressive music. ---
