Experience this reeling and funky down sound from Iffy Lee's 5 song package. A high quality mix of funk and soul dominates the song " In The Mix " with slick style vocals and orchestrated characteristics. 5 MP3 Songs URBAN/R&B: Funk, URBAN/R&B: R&B Pop Crossover Show all album songs: It - ti - bi - ti - So Pretty Songs Details: iffy Lee was establish during the later part of 1999 to introduct the world to a different spin on funk. iffy Lee delivers quick and slick lyrics with a touch of witty-ness in setting the pace of a song. If you close your ears for one minute, you might miss a back beat. iffy Lee wanted the world to hear the flip side of a funk song that has been formatted to deliver a direct point of view, but from another angle. If you notice a Ray Davies, Rick James, Larry Dodson, Phil Lynott, Morris Day, Larry Blackmon, or Billy Joel concept happening, don't be alarm (name dropping is not illegal). There's a feeling of an instrumental lyricism rhythmic sound happening in the mix of these songs that were made to be played. If you get to witness an iffy Lee concert live don't be alarm because the music is very powerful and the sounds are tight . This CD was recorded by season musicians in Virginia (USA) with a combination of Funk sounds that's controlled by the feeling of a musical chance in making you dance.
