Aggressive country rock, Produced by Mark Slaughter of heavy metal "Slaughter" fame. Jammin' sound with slammin' guitars, rockin' drums and a beautiful voice to go with them. 7 MP3 Songs POP: Today's Top 40, COUNTRY: Modern Country Details: Lynn is the quintessential All-American girl next door. Born and raised in a family of Gospel musicians, music has always been surging in her blood. For many years she traveled with her musical family across the United States performing in many churches, performance halls and gospel tents. Even while attending Jackson High School in Jackson Ohio, she never missed an opportunity to perform in church, at festivals, in plays, talent shows or with local bands. She went on to attend the University of Central Florida where she studied Voice and Piano. Professor Louis Roney who is world-renowned for his Opera performances in France, Italy and the United States vocally trained Lynn. Lynn has taken opportunities to perform for Private Functions, Corporate Parties and Churches. She has also performed for Governor Jeb Bush on several occasions, as well as many other political functions throughout the state of Florida. Lynn is also an elected county official in Hillsborough County Florida. Lynn has a strong, sultry, soothing and sweet voice that can you move you tears with her ballad 'I Wish I Knew' or make you quiver when you hear 'You Know How It Is'. As well as being an outstanding singer, she is also a gifted songwriter. Lynn has penned two tracks on her new CD "Moviestar", "I Wish I Knew" and "I'm Gone". She just recently finished her first CD "Moviestar" on location at Red Alert Studios just outside of Nashville, Tennessee. Musical genius Mark Slaughter of heavy metal 'Slaughter' fame arranged and produced the CD. She had huge help from her best friends "Hip Kitty" from Nashville. Her country-pop-rock is destined to be a hit. .
