Honky Tonk, Rock-n-Roll mixed with some Rhythm-n-Blues. 12 MP3 Songs COUNTRY: Honky Tonk, COUNTRY: Country Rock Show all album songs: Whole Lot of Country Songs Details: Hey y'all. I'm country music recording artist, singer and songwriter Mark Austin. Born in a small town in southwest Pennsylvania and a son of an autoworker, I have walked a long and hard road to get to where I am today . In my new cd you will find betrayal, broken relationships with women, and the hard fought struggles with whiskey. But with those experiences that I went through, I came to know my Lord and Saviour Jesus Christ. When I was at the lowest point in my life and on my back with no where else to turn, Jesus reached down, and picked me up and delivered me out of the emotional hell that I was in and made me whole. For He replaced all the broken relationships, the emptiness, and the many nights I spent alone. I now have a purpose in my life thanks to Jesus Christ. For if it were not for Him I would not physically be here today. I began playing music when I was 4 years old and grew up listenin' to the music of Hank Williams, George Jones, Hank Jr., Waylon, Merle Haggard, etc.. I started writing music after I started going through the many trials, heartaches and struggles that I have experienced. I hope that as you listen to the songs from the new album, y'all will get an understanding of the man behind the music. As a child I tried to grow up, and as a man I put away my childish behaviour. Hope y'all like my brand of music. Take care and God bless!
