

# Mp3 Maureen Conlin - Christmas Notes For Little Folks

[DOWNLOAD HERE](#)

Christmas Notes for Little Folks is a joyful twist to new and old Holiday Favorites that captures the magic of Christmas with songs for children's performances or their listening enjoyment. A perfect gift for teachers and stocking stuffer for children. 14 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Sing-Along/Interactive Show all album songs: Christmas Notes for Little Folks Songs Details: Maureen Conlin is a children's music entertainer/educator in Phoenix, Arizona. Her music captivates and delights her audience of two to seven year olds and provides interactive fun for children all over the world. The songs on Christmas Notes for Little Folks gives children the opportunity to explore, experience, educate and enjoy the magic of Christmas as they dance, move, sing and clap to the music. All the ingredients for a magical journey are in Maureen's original songs. The only requirement from the children is an appetite for musical fun and enjoyment. Through the music children express beat, experience creative movement, explore the sounds of the season and play along with rhythm of Santas Music Band. Children are enchanted as they dance and move with dancing snowflakes. Listen to the music of Christmas Notes for Little Folks and experience the magic. Songs provide wonderful entertainment for parents and grandparents when performed for winter holiday programs at your child's preschool or child care facility.
