Rumba's SalsaSoul Delight (Version en español incluida abajo) Melina Almodovar is on the verge of redefining the scope of Latin American singers by possessing one of the most unique voices in Salsa and Soul music today. The Puerto Rican born singer/songwriter, who now calls Memphis, Tennessee home, is destined for international fame with the release of "Rumba's Salsa Soul Delight". The album shakes up the trend of current Latin music with a fresh fusion of Southern Soul of Memphis and real Salsa, a catchy mix never heard before. Her tunes, like the high energy "Sweetness", (in both English and Spanish), are melodic, musically intriguing, and gritty. The album, recorded in Puerto Rico, sparkles with the sensual number "Extasis", the romantic "Cuatro", the inspirational "Beautiful Thing" and the haunting "Eres As". Overall, the album is a collection of potential hits with crossover appeal. It explores the broad spectrum of Latin and Soul music, and at the same time stages Melina's authenticity quite superbly. Melina lived in San Juan until the age of 12. Her late father, Jose Luis Almodovar, a singer from that island, greatly influenced her musical talent. Melina's fondness for music and her appealing stage personality were apparent as a child, when she began singing in her parents' home and catching the attention of family and friends. It was in San Juan where she discovered a love for Salsa, Merengue, and Chachacha- rhythms that would always remain a part of her and her music. Melina, along with her mother, later moved to Memphis, where that city's music, created by Soul legends, quickly captivated her. To help pave her own way to greatness, she studied singing and performing arts throughout high school and college. She competed and won over judges in several talent contests. Her electrifying, musical gift

impressed all who heard her! Her passion and drive led Melina to a Latin music band in Memphis, "Orquesta Caliente". Melina and Caliente became a Memphis (and regional) sensation. They played before sold-out audiences, and on historic Beale Street (known worldwide as the Home of the Blues). Melina's accomplished voice talents, which range from the live rhythmic cadences and whoops of salsa and merengue, to the captivating romance of boleros, to the gripping and lively variants, of jazz and of soul, plus her superb stage presence and stunning beauty, electrify crowds at every performance. They adore her raw talent, energy, charisma, sex appeal and style-a combination that only comes around once in eons. The Memphis newspaper, The Commercial Appeal, called Melina's performances Sizzling Salsa for crowds wanting to experience Latin music that is not just Latin, but Black and White. Her next goal is to take her brand of music to the world's audience. She's zooming to it with her breakthrough album "Rumba's Salsa Soul Delight". Critics call it one that leaves her above most other female singer/songwriters heard on radio today. For Melina Almodovar, the most exciting singer/songwriter to emerge from Latin America in years, and who can also bring out a jambalaya of soulful Memphis southern sentiments, the possibilities are limitless!
