In December?2006, he debuted of his 6th CD recording: Musica de las Americas (Music of the Americas). Critics Pedro angel plays classical Venezuelan guitar to a level of virtuosity that will leave you wondering if his surname is descriptive. Angel's rich melodic lines possess an otherwordly quality that navigates both the depths of tragedy and the heights of ecstasy with not a word needing to be spoken. EDITOR'S REVIEW DOWLOAD.COM Brilliantly masterful Pedro angel's fingers masterfully caress the guitar to produce an astounding array of sharp expressive tones and warm rich melodies. I was absolutely amazed with his brilliant use of the guitar's harmonics and his ability to weave and build such powerful and complex rhythm and melody structures. It leads one to

believe this may be what the angel peter (pedro) plays at the pearly gates. Magnifico! ALBERT DOMINGUEZ MUSICAL WEB MASTER BERLIN Pedro Angel is now one of the young masters of the guitarThanks to his natural musicality and to his instinct of virtuoso, Pedro has been able to reach a great dominion of the instrumental technical ability, placed at the service of the highest ideas of the past and present music, for which, I find myself full of the most intense satisfaction.
