Soundscapes that are "Musical Mosaics" interweaving themes of various genres from classical to jazz in a single track, smoothly interacting, presenting a refreshing approach to composition. 11 MP3 Songs NEW AGE: New Age, JAZZ: Jazz Fusion Details: These compositions break newer ground in musical genres based on the advancement of computer technology. Rather than following the traditional approach to musical composition i.e. the development of a single theme, it is based on the interweaving of several quite diverse themes in one piece, but in such a way as to present a smooth, cohesive and intriguing listening experience. Musical ears who have reviewed it are generally unanimous in their assessment. They find it to be "interesting, sophisticated and relaxing." Included are pieces spanning classical to electronic to jazz fusion styles. Instrument voicing is also quite varied from violins to hot percussion. Genre: musical mosaics
