R&B. Great grooves and smooth vocals tell a love story. The ideal soundtrack to urban romance. Good urban contemporary music. 14 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Rhythm Blues Details: With great grooves and smooth vocals RACE tells a love story. From the title track (I Found Love) to "Open", Race and OSBMW bring us a great addition to today's R&B. Race provides the ideal soundtrack to urban romance with "I Found Love". Using an array of moods he skillfully carries you through the aural movie with songs for every occasion. There are songs to dance to, songs for "just kickin' it", and of course songs to make love to. Uptempo standouts like "Up In The Club", "One Night Stand" and the title track "I Found Love", set the tone for your weekend tryst. And after the party is over and things become more intimate (if you're lucky!), songs like "Right Next To You", "Share Your Company", and "Open" provide a beautiful, warm, sensual atmosphere - perfect for lovers! Former MCA recording artist Charisse Arrington helps Race weigh in with a great relationship stabilizer on "Let's Make Love", and "Never Let You Go" is a heartfelt testament to the astonishing feeling sudden romance creates. If good urban contemporary music is what you crave, "I Found Love" will undoubtedly satisfy your appetite.
