Related styles: URBAN/R&B: Soul, BLUES: Acoustic Blues People who are interested in Marvin Gaye Jack Johnson Jason Mraz should consider this download. Details: RJ Adams is a international recording artist, singer songwriter and a native to the Carolinas. RJs vocal style is often compared to a modern day Marvin Gaye, Prince, Al Green, James Brown, Sam Cooke and Otis Redding to name a few. RJ is known for his high energy live performances and soulful vocals. Rjs music is a breath of fresh air in todays world.. His music is uplifting and positive for all to listen.. In recent interviews, Rj was quoted saying I love all music and all people I simply want to bring back music that is positive , inspiring and not offensive to anyone.. RJs first album Love, Life, Music gained popularity when RJ performed on a live Pay Per View event in Las Vegas Nevada to a crowd of 60,000.The event was televised to 125 million viewers in 15 different countries worldwide .When the Pay Per View aired, Rj instantly became a international recording artist with record sales soaring in Japan and Europe from the single live broadcast. Rjs new album titled Acoustic Soul released May 3rd 2009, features some of his best songwriting. Acoustic Soul is full of soulful, Bluesy melodic songs with no band, just a single guitar and vocal recorded live in the studio with a raw sound displaying RJs vocals. RJ is often asked to describe his music. He simply says with confidence, "It's feel good music music for everyone..
