about "Amazing Grace" I have been an active music volunteer at Hospices all over the world since 1980. In 1982 I was doing some bedside concerts at Connecticut Hospice in Branford CT, and Just as I finished playing "Connies Peace" a patient from another bed called out to me, Hey Guitarist! Guitarist! I gotta talk to you!" I went to the patient's bedside and he asked, "Do you know Amazing Grace?" "I never played it", I replied, "but I'm sure I can figure it out." The man said to me "as you were playing the last notes of that last song you just played, I got a message from the Gods. The Gods told me to tell you to add a kind of blues version of Amazing Grace to that last song you played." At that moment I was called away from his bed by one of the Hospice staff. When I returned a short 10 minutes later I was told that the man had died. The staff person shared with me that about 2 minutes after I left his bedside he called out for staff assistance, pointed to the ceiling and all he said and repeated 3 times was, "Amazing Grace, Amazing Grace, Amazing Grace." So I recorded just the way he said.
