Wiggins is captivating, with a strong stage presence and humorous story-telling between songs. Wiggins has shared the stage with Julia Fordham, Jill Sobule, Sophie B. Hawkins, Cyndi Lauper more. She is an award winning songwriter, including Billboards Song Contest, and she just released her 5th CD in May 07. Sean has been touring the United States making stops at hot spots like Eddies Attic in Atlanta, The Hard Rock in Chicago, CBGBs in NY and The Bluebird in Nashville. Sean has placed music in independent films on MTV Undressed. She is featured on many compilation CDs, and last fall, she toured the US with the Hollywood production of, Sordid Lives, written and directed by Del Shoes. Lone Goat is the new band and has been playing all over California with a busy schedule this summer. The new CD has already met with immediate radio play all over the world and great reviews. Sean will be appearing in Chicago Michigan this summer fall with her guitar player, Paul Houston, in addition to the California appearances with the band! This new CD is called the Kitchen Sink becuzz it has a little of everything from hard rock to moody rock to country to acoustic to a children's tune... Won't make the record companies happy but it makes me really happy - I love all sorts of music and have sung and written all sorts - This CD is a joy for me - I feel we made great music without even having to try too hard! That's something:) -- hope you like it!
