Details: I was born before the Second World War (how can anyone be that old??) - but as yet havent published my War Songs CD, though its on its way. HI, Im Sonny Rolfe, a songwriter with some successes under my belt, but not enough by far. I live in Western Australia and have done since 1967. I live with my partner, Jan, without whom I could only function as a songwriter with one arm and one eye - she does my printing, types my scribble. does my email. designs covers etc, etc - every songwriter should have a Jan . . . I have daughters, a son, grandkids and am very lucky, I am fit, love travelling Oz, usually get to Sydney every few years, though I dont play live very much, except for the harmonica! My favourite colour is colour, my favourite music is music, my favourite beings are women. My song ideas seem to keep coming, I probably have hundreds of started projects, finished about eighty. I have won awards, had Top 5 nominations and Commendations for songs, lyrics and instrumentals. I play harp, guitar, button accordion - none of them very well. Influences in my music I suppose must be the Stones, Roger Miller, Sarah Vaughn, Johnny Dankworth, Tommy Riley [harp], dozens more - Aussie stars John Williamson, Paul Kelly, Sara Storer lots more! I have enjoyed all my interviews on Community Radio around Oz, and am looking forward to coming around again! I hope you like some of my music, that is my best reward. My latest CD on cdbaby is A Kid Like Me and my next up-and-coming CD is called Decade, it will be up on cdbaby soon . . There is more info about me my friends in music on my Website. What I most want is people to sing my songs, if anyone would like lyrics and chords, please email.
