

# Mp3 Stephen Now - Through And Through

[DOWNLOAD HERE](#)

Singer, songwriter, poet, romantic, philosopher sometimes performing quiet, reflective ballads, sometimes driving rock 'n roll-- 10 MP3 Songs in this album (45:39) ! Related styles: POP: British Pop, ROCK: Emo  
People who are interested in John Lennon The Flaming Lips Roxy Music should consider this download.  
Details: Stephen Now's 2008 release "through and through" brings several rock/pop/ballad styles together, but all with the artist's emotionally vulnerable, thoughtful and often playful identity-- the poet who writes in music-- the thinker who expresses with feeling. This is Stephen's fifth single release-- a year in the making expressing a variety of emotions and insights from personal journeys, relationships and observations.
