Christian guitar driven Singer/Songwriter. 11 MP3 Songs POP: Today's Top 40, ROCK: Acoustic Details: This is my first cd project, recorded in 1998. The Power of Love features some of my most enduring lyrical messages. Songs like "I Will Wait" and "End of My Faith" will always be near the top of my list of favorite songs I've ever written. "Father to the Fatherless" is a personal testimony to how God has been a father to me, and all those who have had to endure growing up with a distant or absentee father. Sterling married the former Myssi Calkins in March 1998 and together they have 3 beautiful children: Jaden (6), Mya (4) and Levi (2).
