Blend until smooth, pour into a skillet of hot grease, fry until it stank, then serve HOT! At this point you can head to the club, pop in a porno, or make your own. You've just discovered a sound called "Porno-Funk" or better yet an artist named Tori Fixx and his CD The Mochasutra. An album thats "hot like fish grease." This CD is simply 15 phat-ass, funky tracks with some erotic storytelling. Tori also borrows some hip-hop elements for an edgy, smooth and sexy vocal delivery. If you're a fan of Eminem, DMX, 'Pac, or Biggy the Fixx ain't for U. This ride ain't about being ganster, or being hard infact it's quite the opposite. It's all about love, sex, soul searching, infatuation with funk,sex and more sex. See and hear for yourself. Also, be on the look out for Tori's latest remix CD entitled 'REfixx' featuring the slammin' new single, "TAKE CARE OF U." Coming very soon to the fabulous...CD BABY.COM
