Synthpop, electropop, electroclash, EBM, new wave 12 MP3 Songs ELECTRONIC: Electro, ELECTRONIC: Electroclash Details: After an extended absence, we have reorganized and decided to focus our business model on releasing a series of remix compilations entitled, "Synthphony REMIXed!" This unique and groundbreaking series will feature prominent remix musicians displaying their skills amongst a myriad of electronic bands from around the world. These compilations will be featured as a special 6 fold digipak containing 10-14 tracks each. They will also be pressed as a limited edition item, ranging from 1,000 to 1,500 copies ONLY to preserve the collectability aspect of each volume. In addition, some of the series will spotlight various electronic music labels and cover their entire artist roster. To our knowledge, this type of endeavor has never been explored and we are proud to offer this exciting concept to fans of both the artist and participating independent label. Our mission at Synthphony Records is to promote enthralling, non-genre specific electronica via club dance floors across the globe.
