Related styles: WORLD: Native American People who are interested in Gheorghe Zamfir should consider this download. Details: Canyon River features the wooden cedar flute - one of the most evocative and lyrical of the Native American musical instruments, and Wayra is its master! The selections on this CD are enhanced by effects of nature instrumentation and gidgeridoo, flutes, drums, piano, and guitar. Wayra is the consummate performer - vibrant and personable, his musical arrangements reflect his expertise and energy. His music is a testament of his life and of his ancestors. He shares this testament with all of us, reaching into your heart and gracefully touching the very core of your soul.
