The fusion of acoustics and electronic sounds into music for life. 9 MP3 Songs CLASSICAL: New Age, EASY LISTENING: Mood Music Details: From his earliest years, Zem has had a strong interest in composing music on the piano and keyboard, fusing acoustic and electronic sounds into music for life. At eight, Zem was first introduced to the piano and naturally began to compose music. He soon taught himself how to play electronic keyboards and use synthesizers for arranging and performing his music. Presently, Zem seeks the challenge of taking on film soundtrack composing, but most of all wishes that this album offers you a pleasant adventure in sound, rest and relaxation. AFTER HOURS
