We all want revival. We talk about it, pray for it and devise every evangelism strategy imaginable. We read about the Great Awakening and recall the Jesus Movement. And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the Earth. But are we ready? Revival Culture is an inspirational, biblical and empowering manual for the next generation of revivalists. Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding, California, and through Jesus Culture that goes beyond slogans and high hopes to actually reaching. They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event. This is the full picture of revival culture.
