Heres The Secret To Growing Your Opt-In List Fast -- And Filled With Laser Targeted Prospects! When all the pros agree on something, its usually a good idea to investigate and see if its something you should be implementing...especially if it means more profits for your online business! Here are some of the main features of Sonic Opt-In: * Steps 1 through 4 create your opt-in page, then only 2 steps to get it up and running on your site! * Audio can be included in your opt-in page -- a special control is included. You can also choose whether the audio is auto start or manual start. * Would you like a series of bullets in your copy? (These things youre reading now are bullets.) Special bullet editor allows you to include as many as you like! * The prospects name and email are required. * People who have already opted in are taken automatically to your sales page -- no getting stuck behind the opt-in page again! * Prospect can be taken to a special page targeted exactly to their interests. * Depending on the prospects answers, subscribe them to different auto responders. Now you can create sub-niche lists with ease! * Personalize your sales page -- when you use the prospects first name in your copy it increases conversions, [f name]. (insert grin here) * Use one of the built-in HTML templates or create your own. * Works with A we ber, Get Response,

1 Shopping Cart, Email Aces, etc., most of the major auto responder services. Just requires the ability to subscribe to a list via an email address. * Even works without an auto responder account for people who are just interested in the personalization feature.
