Darcy and Mac are best friends with benefits, but now Mac wants more than just the hot sex. He wants Darcy forever. And he'll risk everything to get her. The last thing Darcy Phillips wants after the end of a disastrous relationship is to get involved with another man. Being free and unattached was the plan until her old pal Thomas Mac MacAllister strolls back into her life. Mac has always loved Darcy but the timing was always wrong. Now, she's home and unattached. And after a night of wine and conversation, things turn hot fast. But Darcy isn't ready for more than the physical and she definitely doesn't want anyone knowing what the two of them are up to. Especially her mother. It isn't long, though, before Mac wants more. Much more. Yet Darcy isn't sure she's willing to risk their long-time relationship for something as dangerous as love. But Mac is a man who knows what he wants and he's not afraid to go after it. Using their incendiary passion as a starting point, Mac sets out to win the girl of his dreams and show her that everything she wants is right next door. This book has been previously published
