Living paycheck to paycheck in Paris, American book translator Chloe Underwood would give anything for some excitement and passion—even a little danger. So when she's offered a lucrative weekend gig translating at a business conference in a remote chateau, she jumps at the chance to shake things up. Then by chance Chloe discovers her employers are anything but the entrepreneurs they appear, and suddenly she knows far too much. Her clients are illegal arms dealers, and one of them is ordered to kill her. But instead, Bastien Toussaint drags Chloe away, and the next thing she knows she's on the run with the most terrifying and seductive man she's ever met. What were his motives and would she live long enough to find out?
