February 2, 2010 A Limited Time Offer From YOUR NAME HERE Re: Bloggers Guide To Profits Dear Internet friend, Whats the secret weapon of major companies like Google and Microsoft? Million dollar marketing campaigns? Creative CEOs? Cutting edge technology far ahead of their competitors? Maybe. But if you want to know their newest secret weapon for building a customer base of millions of loyal users (that costs hardly any money to do), let me tell you... * The secret weapon that gets customers passionate about your brand... * The secret weapon that sprouts profitable relationships with

your customers... * The secret weapon that can turn a faceless, scary company into a business with the human and comforting touch... ..is blogging. You dont need to be a computer expert (or spend a lot of money) to use the secret weapon even major corporations use to build their business! Now you can use blogging to... * Build Passion For Your Brand with your customers just by writing down your thoughts and plans (best of all, it costs next to nothing!) * Boost Sales With Your Personal Touch as that special, magic, human connection starts to grow between your business and your customer. (Any company, big or small, that doesnt follow this concept in the relationship age of business just wont make it!) * Conquer The Search Engine Rankings without even trying! The secret power of blogging is that you can get listed in search engines like Yahoo much faster than with any other type of site. (And theres more, keep reading!)
