

Foundation Actionscript 3.0 For Flash And Flex

[DOWNLOAD HERE](#)

This is an update of Foundation ActionScript 3.0 for the new editions of Flash and Flex. Along with updating the book, we are also making it version neutral to extend the shelf-life now that we know that Adobe have no plans at the moment for ActionScript 4.0. By separating the ActionScript language from the Flash and Flex version, we will increase the sales potential of the title. EAN/ISBN : 9781430219194
Publisher(s): Springer, Berlin, Apress Discussed keywords: ActionScript 3.0, Flash (Software), Flex (Adobe) Format: ePub/PDF Author(s): Richardson, Darren - Milbourne, Paul
