KeyWord Link Tracker (Lite Edition) - Giveaway Rights Here are few of the promising features of KeyWord Link Tracker.. * Find out which keywords finally lead to the sale and dont rely on keywords that bring just maximum clicks. Weed out those tire kickers and leave em for your competition. * Covers both methods - Direct Linking and Landing Pages. * Allows dynamic insertion of keyword and tracking id on your landing pages... Automation? Its covered! * Works with almost every major search engine out there. Never lose a cent again. * Works with almost every major affiliate network (like Clickbank, CJ, Linkshare) and third party affiliate scripts that support adding a tracking id.. KeyWord Link Tracker Lite Edition Is Fully Functional Apart For These Features Which Are Disabled: 1 - Only allows you to add up to a maximum of 3 redirectors. 2 - Preset to three non-editable categories
