

## Mp3 Ben Bensen - This Is Mainstream

[DOWNLOAD HERE](#)

Songs about love and hate, raw but strong on melodies, good arrangements lead to satisfying chorus, plenty of hooks and harmonies for immediate appeal plus synths, strings and the odd cow bell to make it worth a 2nd, 3rd and 4th listen. 10 MP3 Songs in this album (35:39) ! Related styles: POP: British Pop, POP: Pop/Rock People who are interested in The Beatles Serge Gainsbourg Stephen Malkmus should consider this download. Details: Ben Bensen started playing guitar and writing songs when he was thirteen, etc,... After playing and writing with a series of bands with varyingly silly names you are not likely to have heard of (but just in case: Phase, Babyfoot, Cushy Butterfield, Fuzzykane and The Vandalz) here comes "This Is Mainstream", his first solo CD. Ben likes: melodies, harmonies, catchy tunes, good arrangements, and a nice chorus to top it all off. So naturally he has tried to fit all of this into "This Is Mainstream". Why not have a listen and see? Best success before this: the wistful and catchy "Baby's On My Frequency", co-written with long-time song writing partner Francis Armstrong, performed by Fuzzykane and available on a Matchbox Records compilation 'Gigantic'. More recently Ben has been working on an altogether different project with the London based Vandalz, providing hooks and tunes for Mark Goodwin's more abrasive Dance/Pop routines. All the time, though, Ben Bensen's true musical love has been the search for a great pop song. "This Is Mainstream" is Ben Bensen's first album available on CD and downloads. Enough blurb, have a listen.
