Mp3 Binary Souls / Other Dimensions - The System Is Down

DOWNLOAD HERE

Electronica inspired by anime, web comics, video games and more. 10 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Ambient Details: BS/OD is a music project that is not defined by just one genre. While our music is electronic in nature, each album will be quite different from the one previous to it and you will find a great number of influences within each song. From film and Anime to video games, BS/OD will be working to bridge the gap between the mediums.
