Raw slabs of soul shredding occult black metal. 9 MP3 Songs METAL: Black Metal, METAL: Thrash/Speed Metal Details: For the last decade BLOOD STORM have been prominent figures in the underground metal scene. While many of their peers choose to dilute their sound in exchange for mainstream exposure, the years have seen BLOOD STORM sharpen their weapons and charge head on into sonic warfare. This collection brings together some of their most potent anthems, as well as rare demos and remixes. A must have for fans, and a great introduction for the uninitiated!
