

## Mp3 Cyborg - Higherstate

[DOWNLOAD HERE](#)

This is a pure motivational rap meant to inspire and uplift the mind, body and spirit. It also contains an exclusive new language and style which is the "BROKEN ENGLISH" from Nigeria in Africa. It can also be categorized as spiritual, hardcore and real 10 MP3 Songs HIP HOP/RAP: Rap, WORLD: African Details: Cyborg, also known as "The Sunchild" is the new unique hiphop MC in town. Born and raised in Aba City in Nigeria, he has an original style with an African swagga that wakes up the spirit. Known for his outstanding beats and sizzling lyrics Cyborg's music focuses on the substance and the message of the song. On July 6th 1998 Cyborg arrived in the United States to further his studies in engineering before he realized that his heart was in the arts and music. Since then "the Sunchild" has been breathing arts and music which led to his exclusive new album entitled "HIGHERSTATE". This album is really like a breathe of fresh air. This album is really inspiring, motivational and the beats are really kicking. HIGHERSTATE comprises of both english and broken english songs. Broken or pigeon english is a common language that all African tribes, mainly in Nigeria speak, so rememeber to check it out and see how creative Cyborg used this language in some of his songs.
