Details: Daniel's Heart is my journey into Improvised Meditations. This CD was recorded live off the floor and there was no editing. What you hear is what I played. It isn't perfect but it is excellent! I must thank the following outstanding people in my life: My loving, supportive and beautiful wife Viviane, my Pastors Anthony and Madeleine Greco and the entire CLC family, all the awesome Compassionate Samurais who are playing black all over the world. This CD is dedicated to my children, Chad and Janie Lee, their children and their children's children. Dream big and live bigger!!! "Blessed be the name of God, forever and ever. He knows all, does all: He changes the seasons and guides history, He raises up kings and also brings them down, he provides both intelligence and discernment, He opens up the depths, tells secrets, sees in the darklight spills out of him! God of all my ancestors, all thanks! all praise! You made me wise and strong. And now you've shown us what we asked for. You've solved the king's mystery."
