Comments on David Coate: "Who is David Coate?" ...I hear you ask. Well, you may not be familiar with the name yet, but I predict within a short time you and everyone else who listens to Christian music will. David Coate sounds like a cross between Mark Farner and Greg X. Volz [Petra], and he can really belt out a tune! Coate's music is unique, and that's one of the things that makes this new... release special. It's a versatile fusion of Rock, Jazz, and R&B that gives "Still Small Voice" a sound all it's own." Budd Fredericks-- Around the Trax WFGB/WLJP FM, NY "Solid pop/rock interspersed with adult contemporary and Jazz styles keep the momentum going throughout all eleven tracks." --Christian Happenings Magazine "We've loved working with the David Coate Group. They have an anointed ministry and their love for the Lord is evident in every aspect of their performance." --Mylon LeFevre "One of New England's strongest and most accessible artists... they have a lot to offer." --Dan

Russell, New Sound Concerts, Inside Out Soul Festival, Boston "Plenty of solid rock material here; the group shows no squeamishness about pulling out all the stops when the Spirit moves them." --CCM "The quality of their music, combined with the sincerity of the gospel presentation, has made them very effective in reaching non-Christians as well as Christians. --Paul Borthwick, Assoc. Pastor, Grace Chapel, Lexington, MA "I wholeheartedly recommend them as a group you can trust." --Tom Taylor, Asst. Dean of Students, University of Lowell, Lowell, MA "The David Coate Group is impressive!... I heartily recommend them." --Brad Stamm, Creation Festival
