I pray that you enjoy the music and that the lyrics unlock the call of God in your life. "Your Today" is a musical journey through the life of David Ivey in which I share my deepest emotions and innermost thoughts about life,love,and worshipping God. I find it interesting how most of us go through life striving and searching for what we'd call our purpose and destiny. We're always looking for a better day.....a brighter future.....the next level. I have come to realize that the key to a better tomorrow is on my revelation that things aren't going to be, they Already are. God has Already supplied me with everything I need to accomplish what he purposed. that includes time , resources, and ability. they are mine to develop, mine to utilize, and mine to manage. the reverse is true as well- they are mine to waste. So as life has asked me the question, I now ask you.....Since Yesterday's Gone, Tomorrow's Comin' What are you gonna do with your today? Peace David Ivey
