[DOWNLOAD HERE](#)

High quality solo piano recording of classical pieces by Chopin, Liszt, Debussy and Gershwin. Also included are "novelty" pieces by Zez Confrey, Gershwin and 2 arrangements by David Stahl of September Song and Lullaby of Birdland. 20 MP3 Songs CLASSICAL: Traditional, EASY LISTENING: Mood Music Details: This cd is a compilation of great piano music played and recorded on a Yamaha C7 grand piano at Martinsound Studio in Alhambra (the same piano that the piano music for the movie "The Firm" was recorded on.) The music covers a range of moods and styles: Romanticism of Chopin and Liszt, Impressionism of Debussy, jazz-tinged music of Gershwin and the Tin Pan Alley rag-time sound of his Rialto Ripples and the novelty pieces of Zez donfrey. This reflects my own experience in music, which has been both in the classical and popular musical worlds. I've also included my own arrangements of the songs "September Song" and "Lullaby of Birdland" (which I've re-named "Lullaby of Boogland".)
