Old-School heavy metal. Very Riff-based, driving, filled with many part changes and guitar solos. 11 MP3 Songs METAL: Heavy Metal, METAL: Thrash/Speed Metal Details: Deselectra is a metal band based out of central Ohio. Although we are a very young band, we are influenced by old-school metal bands such as Iron Maiden, Megadeth, Slayer, Queensryche ect. Our subject matter is textbook metal. We focus on the downfalls of society and the name "Deselectra" comes from Descention of society expressed through electricity. The band consist of Sam Stockdale, on Bass and lead vocals, Kellen Hodak on Drums, Curtis Hodak on Guitar and Brandon Noyes on Lead Guitar. Some of the key tracks to check out are "Judicator" "Maliced Heart" and the title track "What Demons Dream." Please leave some reviews of the album or email us with any comments. Thanks Deselectra Update 1/15/05 We have added a new demo song that will be on our next album to our website deselectra.com!! Check it out and let us know what you think!!
