

# Mp3 Deviant - Clonography 1985-1995 Vol.1

[DOWNLOAD HERE](#)

Twisted nerdy noise punk with some ambient respites. 24 MP3 Songs ROCK: Noise, ROCK: Punk  
Details: From punkhistorycanada.ca : Prolific recording side-project from Deviant (Mary, Six Inches, Vertical Laughter) including a revolving ensemble of people. Only played out about once a year, but they were pretty weird/memorable shows. Cassette-only releases back in the day. "Best of" CDs eventually surfaced. Officially folded in 1995 after Deviant moved away from Vancouver.
