Mp3 Dorothy Cowfield - Cows In The Sky

DOWNLOAD HERE

Perfect companion for your sentimental journey across Wild West sing alone. but the secret is... she's a Japanese Woman. 9 MP3 Songs JAZZ: Jazz Vocals, ROCK: Americana Details: Dorothy Cowfield, the Japanese Cowgirl Singer / Composer, sends her 2nd love letter. It's a music wagon in poetic and exotic exploration of the rustic wild west, along with a talented Japanese guitarist Shu Nakamura and the New York Jazz Masters. Music travels Latin to Native American to Mexico to Funk to Rock Roll to Jazz, and each song takes you to a different time and space, and triggers different part of your passion. Truly a pick if you wanna discover a new singer songwriter.
